Regarding use of Online Public Records

The Town Clerk of the City of Waterbury is pleased to offer online access to our Indexing System. Our users should be aware of several items.

- 1. While the Town Clerk's Office has attempted to preserve the accuracy of this online version, these records are not official and the neither the City of Waterbury nor the Town Clerk of the City of Waterbury will be responsible for any inaccuracies that may be encountered when using this on-line version. Only those records and the indices therefor that are maintained and physically located in the City of Waterbury, Town Clerk's offices shall be referenced as the Official Public Records of City of Waterbury.**
- 2. By using this on-line version, every user hereof agrees to assume all responsibility a.) for the use of such on-line version and b.) for the reference to or reliance on any public records by such user, without physically visiting the City of Waterbury Town Clerk's offices and viewing those records and related indices in person to confirm the information contained therein. By using this on-line version, the user agrees that they do so at their own risk, and that in doing so they also agree to indemnify and hold harmless the City of Waterbury, its employees and agents, the Town Clerk of the City of Waterbury, and anyone involved in storing, retrieving, or displaying this information for any claims for damages, whether actual, incidental or consequential, allegedly sustained as a result of such usage.**
- 3. The records available through this on-line version include only indices of those documents that have been properly filed for recording with the City of Waterbury Town Clerk. The indices, furthermore, do not include any references to documents so received that are required by law to be indexed in the General Index of The Land Records of the City of Waterbury as that term is defined under the applicable laws of the State of Connecticut. *[The internet site containing the link utilized to access this on-line version may contain additional links providing access to other on-line indices. An example of such link may be a link to the General Index. You should refer to the internet site in question to determine if links to any such other indices exist and, if so, you should consult those indices for additional information relating to the documents indexed therein. The user should not assume that other indices do not exist simply because the internet site does not contain a link to any such other indices. Any user of this on-line version must visit the City of Waterbury Town Clerk's offices in person to confirm whether or not any indices exist and to confirm what information is contained***

***therein.]* Please note that there may be records that have been received by the Town Clerk of the City of Waterbury for recording but that have not, as of the date of the use of this on-line version, been entered into the indices available through this on-line version. Please also note that there may have been changes or corrections made to the official copy of the indices referenced in this on-line version that have not, as of the date of the use of this on-line version, been reflected in this on-line version. Any user of this on-line version must visit the City of Waterbury Town Clerk's offices in person to confirm whether or not any documents exist that have not been included in the indices available through this on-line version and to obtain any information relating to any such documents.**
